(c) and (d) No, Sir. Out of total land holding of 4.31 lakh hectare, only about 2000 hectare of land is under encroachment.

(e) and (f) Yes, Sir. In order to give greater thrust to the commercial use of vacant railway land/air space, Railways has decided to set up a separate Authority namely the Rail Land Development Authority, through an amendment to the Railways Act, 1989 to undertake all tasks related to property development on railway land/air-space. The Authority has been constituted with effect from 1st November, 2006.

(b) and (c) Indian Railway Catering and Tourism Corporation (IRCTC) is presently managing all the base kitchens of Indian Railways. IRCTC has already undertaken renovation of base kitchens. Replacement of old/defective furniture, food service equipments and other gadgets, etc. is being done wherever required. Further, IRCTC has appointed specialist/experienced consultants in the hospitality sector to suggest the designs and changes in the base kitchens. Steps have also been initiated to obtain ISO 22000: 2005 (Food Safety Management System) and ISO 9001: 2005 (Quality Management System). M/s RITES has been engaged for the said purpose. The costing and estimated expenditure, facilities required to be provided etc. shall be based on the report to be received from the consultants.
